SQUADRON 50
LUXURY ON A WHOLE NEW LEVEL

DON'T JUST CRUISE, FLY

Designed for relaxation, built for exhilaration

Our Squadron range has always raised the bar when it comes to luxury and excitement. The Squadron 50 is no exception. The beautifully designed flybridge takes the thrill of driving to a whole new level, while in the same breath providing all the space you need to enjoy a relaxing alfresco breakfast around the teak dining table or simply laze beneath azure skies. Below the striking anthracite roof you find the luxurious interior saloon and cabins, expertly designed using contemporary colours to ensure understated elegance wherever you are on board.

MAKE THE JOURNEY AS STUNNING AS THE DESTINATION

The Squadron 50 has been designed to make the journey as much part of the experience as the destination itself. The exhilaration of the twin Volvo IPS 650 or 700 engines is complimented, for the first time, by the additional luxury of our new Premium Pack, offering an array of special features to upgrade your boat and experience. From teak-laid flooring on the flybridge and high-capacity air conditioning to the submersible bathing platform designed to make stepping into the water utterly effortless.

SPECIAL IN EVERY WAY IMAGINABLE

THE FINAL WORD ON LUXURY, IS YOURS

Our passionate team of interior designers have spent years refining and perfecting a set of themes and colour schemes to subtly compliment both your life on land, and on sea.

Perhaps you will fall for the warm, rich yellows that nod gracefully to the sun drenched lemon orchards of Sicily, or the deep oceanic blues with gentle swirls of muted greys that sing in perfect harmony with the very sea itself?

Whatever your preference, you'll know our themes and palettes have been created to stand the test of time.

For any help and guidance on finding the perfect theme for you, simply contact your local dealership.
